RoHS2 Compliance
October 28, 2026

All Pure T products are designed and manufactured in compliance with the applicable requirements of the European RoHS 2 Directive (2011/65/EU) and China RoHS 2.0 (MIIT Order No.32).

The materials used in our products, as well as our manufacturing processes, are selected and controlled to ensure compliance with these regulatory requirements.

Pure T is committed to maintaining this compliance, and all future products will be developed and manufactured to meet the applicable RoHS requirements.
